SUNNYBEACH RUNNER

Speed and steadyness like never before

The latest generation canoe, the "RUNNER" is built in linear polyethylene, resistant to shocks and ware. The principal characteristic is to be found in the body shape, conceived for greater stability and speed. The central keel on the forward side guarantees the best bearing.

standard feature are the wear-proof nylon heel fitted aft and the anatomically-designed seat with its incorporated back rest, optimum conditions for long, relaxing excursions. Optional: waterproof hold-all, after-peak
Delivery: Beginning of June 2006

Available colours:

YELLOW - RED - ORANGE -
GREEN - WHITE - PALE BLEU.

Measurements:

Lenght, cm. 290
Width, cm. 75
Weight, kg. 20 ca.
